

International Scientific Session On Nuclear Medicine and Radiopharmaceutics (December 4-16, 2006, Obninsk, Russia) - Application -

1. Applicant Qualification

Doctor course students and teachers (Professor, Associate Professor, Assistant Professor) of Department of Nuclear Engineering or Department of Energy Sciences

2. Application Document

All the applicants are requested the following documents.

(1) The Documentation of the statement of reason:

Please write necessary information in A4 size paper, maximum 3 pages (written in Japanese)

1. Name
 2. Major
 3. Grade (student only)
 4. Contact Address in Tokyo Tech (e-mail, telephone)
 5. Home address
 6. Reason of the application
- (2) Scientific research essay (outline of Master's thesis or recent research activities (or principal paper relevant to research)): A4 size, maximum 3 pages (written in English)
- (3) Experience of studying-abroad or stay in overseas (if you have): country, the reason of stay, period and organization (format free)
- (4) The consent letter by boss (assistant only) or supervisor (student only) (format free)

**Submit to: COE-INES Secretariat (3F, N1 Research Laboratory for Nuclear Reactors, Tokyo Institute of Technology)
(Mail box N1-12, Phone: 03-5734-3992, Fax: 03-5734-2962)**

Deadline: 17:00PM, August 15 (Tue), 2006

3. Screening of the dispatch candidate

Interview in English is conducted (if needed) after documentary elimination. Applicants have an English presentation (self introduction, the reason of application, outline of research, etc) and Questions and Answers.

Interview date: 17:30PM, August 22(Tue), 2006

Place: 1F, N1-Conference room, Research Laboratory for Nuclear Reactors (Applicants should appear at 10 minutes before the interview at Refresh room on 1F N-1 bldg.)

4. The returned participant is requested to submit a report and present briefing session (including the submission to COE-INES Newsletter, etc.).
5. Authorization as a credit of international internship is in examination. (student only)

6. COE-INES provides registration fee (including travel expenses).
 7. Contact: Associate Prof. Masaki Saito (msaitoh@nr.titech.ac.jp, ex. 3060, 3074)
 8. A panel of judges:
 - Prof. Sekimoto (COE-INES Leader),
 - Prof. Ogawa (representative of RLNR),
 - Prof. Fujii (representative of Department of Nuclear Engineering),
 - Prof. Horioka (representative of Department of Energy Sciences),
 - Prof. Yamano (COE-INES administration office),
 - Associate Prof. Igashira (COE-INES education leader),
 - Associate Prof. Saito (COE-INES research leader). (chief examiner)
- (Document Examination Date: Refresh room, 17:00PM, August 16, 2006)
